

## **LatCrit Statement on Accessibility and Special Needs**

LatCrit Inc. is committed to developing and maintaining an inclusive community respectful of the needs and challenges of all of its participants and friends. We are dedicated to insuring that the venues for all LatCrit activities are accessible to all of our participants and friends and that appropriate transportation services are available. We will make all feasible efforts to accommodate the needs of people with disabilities and to remain responsive to the needs of our participants and friends who have disabilities.

### **Hotel Connections:**

Miami International Airport: All SuperShuttle vans are able to provide transport for passengers who are able to seat themselves and whose wheelchairs can be stowed for transport. Passengers requiring a wheelchair lift should request one at least 24 hours prior to arrival. [SuperShuttle 305 871 2000]

### **Alexander Hotel:**

The Alexander Hotel reports that it is fully compliant regarding accessibility issues. Additionally, a number of suites are specifically configured to meet the needs of people with disabilities, and they are prepared to further tailor their facilities to accommodate specific challenges. The hotel requests that we inform them of specific needs as soon as possible so they can prepare their facilities and accommodations appropriately.

### **Additional Information:**

Michelle Mason, Associate Dean for Student Services at FIU College of Law is responsible for coordinating accessibility service for LatCrit XII. Please contact her for additional information or to address additional concerns and special needs. She may be reached at 305 348 2444 and at [mmason@fiu.edu](mailto:mmason@fiu.edu).
